

NASCOE

THE EXTRA MILE AWARD

Everyone enjoys being recognized for a “job well done.” To go along with that, the NASCOE officers and execs have approved a new Award Program to recognize our members and their children.

Everywhere I go I see our members as the leaders in their respective communities, their churches, and civic organizations. I hear and see the accomplishments that their children have made and you can’t tell me that you parents aren’t proud of your children.

This award is for those NASCOE members and their children that “go the extra mile.” NASCOE feels that we should recognize those efforts, after all they are a part of our “family.” They are what make NASCOE such a “special” group throughout our nation.

There will be a simple nominating form to complete with a short summary of the specific accomplishment of the member or child of a member. That will be submitted to the State Awards Chair who will then submit a list to the Area Chair, who would then submit the list to the National Chair to acquire the certificates. The National Chair would then forward the certificates to the State Awards Chair for distribution.

There is no long drawn out application, there is no judging, we simply recognize outstanding members and/or their children for special leadership accomplishments, for going the extra mile in their respective church, school, community, or their job.

The rules are simple:

- **The recipients MUST be a member of NASCOE**
- **Children are eligible IF a parent is a member of NASCOE**
- **Parents may submit their children, but they MUST be a NASCOE member**
- **The person submitting the nomination MUST complete and submit the nomination to Darvin L. Collins, P. O. Box 902, Crockett, TX 75835.**

Please note that there are no deadlines for this award, the nominating form can be submitted at any time. Award certificates will be distributed to district directors during the annual Spring directors meeting and the annual NASCOE convention to be presented to award recipients.

The nominating form is on the following page.

THE EXTRA MILE AWARD

Nominee: _____ NASCOE Area: _____
